

Dun & Bradstreet Business Information Reports

Increase your decisioning power worldwide with TransUnion and Dun & Bradstreet

Know your international debtors

When doing business beyond South Africa's borders, the risks can be high. Having a clear and accurate view of your international customers and suppliers is critical. By accessing a single source of comprehensive and current information on businesses across the globe, you can know exactly who you are dealing with and make business-risk decisions with complete confidence.

Benefit from our global partnership

TransUnion has a strategic partnership with Dun & Bradstreet. As a member of the Dun & Bradstreet Worldwide Network, we can provide you with the ability to access business information on 240 million businesses in 200 countries.

This information can be used to help you make

more informed, efficient and insightful risk decisions, making it easier for you to do business both locally and internationally. Dun & Bradstreet Business Information Reports provide you with comprehensive, up-to-date information on a business and its payment history, giving you a greater understanding of the risks before you engage with it.

Dun & Bradstreet's Comprehensive Business Information Reports provide up to six year's financial history with easy-to-interpret financial graphs.

KYC Report

The Dun & Bradstreet Know your Customer Report provides for various compliance requirements and checks on a business, including checks against sanctions and stock exchange listings.

Dun & Bradstreet Monitoring

When doing business internationally, it's critical to take a proactive approach toward tracking your customers and their business situations. Dun & Bradstreet Monitoring enables you to monitor your foreign debtors through notification of changes that appear on their profiles, enhancing your ability to develop appropriate strategies for collections.

Dun & Bradstreet Monitoring helps you make optimal credit decisions using up-to-date information, including legal and general data, the Dun & Bradstreet rating and payment score and the business' latest accounts.

Information is available on businesses in 15 European countries, including:

[Austria](#) | [Belgium](#) | [Denmark](#) | [France](#) | [Germany](#) | [Ireland](#)

OUR DUN & BRADSTREET BUSINESS INFORMATION WILL HELP YOU:

- Reduce credit risk
- Improve the profitability of your customers
- Strengthen your cash flow
- Penetrate new markets
- Enhance your international credibility
